

ZERTIFIKAT

Quality Management and Control System
for Compost Austria

Municipal Enterprise

Friedrich Katzer
Malo Livade
1806 Gorni Bogrov village

has been inspected and controlled on behalf of **kompost & biogas Verband** by its partner organisation

'100 – First Zero Waste & Organic Cycle Organisation'
for compliance with:

*Ordinance on the Treatment of Biowaste from 31 January 2017, Technical Regulation ONR 192206
Implementation of quality assurance on composting plants; ÖNORM S 2206-1: Requirements for
a quality assurance system for the production of composts - Part 1: Principles for quality
assurance of a company and of the internal technical processes; ÖNORM S 2206-2:
Requirements for a quality assurance system for composts - Part 2: Determination of tasks and
conditions for a quality assurance organisation*

The enterprise is eligible to refer to this certificate in the declaration and labelling of compost products that have been tested in compliance with the Ordinance on the Treatment of Biowaste from 31 January 2017 and to use the label „Zertifizierte Kompostanlage“ as sign at the facilities premises and official documents issued by the composting plant in electronic and printed format.

Validity: until the next inspection, at maximum until **31.12.2023**

Conditions of the validity of the certificate:

- Compliance with all relevant legal obligations, including the plant's permits
- Fulfilment of the requirements of **kompost & biogas Verband**
